

Why Partner with AXA - Global Healthcare

- **Keeping your people at their best** - With the AXA select medical network in almost 150 countries¹, plus over 1.9 million¹ recognized medical facilities available worldwide, your global employees will have the support they need to stay well in the first place, and to access healthcare easily when they need it.
- **More than just a perk** - International health insurance is the most valued benefit for those on international assignment¹. A respected global health insurance plan that can adapt with your business can give your people the confidence to take their career further with you – as well as attracting the best new talent.
- **A comprehensive international health benefits package** helps to give your employees the confidence and support they need to take their career global. Even an experienced employee on an assignment needs to know they'll have support, wherever they go. AXA's specialists can take care of all the details: working closely with you to create a smart, bespoke package that adapts with your business.
- **Let the experts take care of your plan** - Your dedicated account management team are there to manage your scheme - from help and advice on setting up your plan to everyday management. If you're looking after a larger set of employees on assignment, AXA – Global Healthcare will support you with stakeholder presentations and detailed information on how your employees are using your plan, allowing you more time too.

However complex your business, AXA – Global Healthcare have a flexible healthcare solution to meet your needs, including bespoke healthcare packages for large corporates. Find out how they can support businesses like yours here.
