

**Why Partner with AXA Health:**

- Full range of high-quality solutions that help businesses build a coherent strategy to address employee health and wellbeing:
  - Private Medical Insurance that provides outstanding protection for the health of employees should they fall ill, helping to get them back to health and back to work promptly:
    - Fast Track Appointment service gives members choice and convenience. They offer those with an open referral up to three specialists based on their condition, location and availability.
    - Cover includes support without the need for a GP referral for musculoskeletal conditions and mental health.<sup>1</sup>
    - Choice and flexibility to choose the level of cancer cover to offer to employees.
    - Access to a 24/7<sup>2</sup> health support line for both employees and their families.
    - New services like the Neurodiversity assessment and support service can be added to your medical scheme. This online service connects your employees and their eligible family members (seven years and older) to timely initial needs assessments and, where appropriate, assessment and expert early guidance for autism, attention deficit hyperactivity disorder (ADHD), dyslexia, dysgraphia and dyscalculia.
    - AXA Doctor at Hand, powered by Doctor Care Anywhere, provides a fast, easy way for employees to speak to a private GP by video or phone with up to 20-minute appointments with qualified GPs, 24/7, 365 days a year.<sup>3</sup> With the addition of prescriptions delivered to work or home.<sup>4</sup>
  - Employee Assistance Programs that provide expert support and guidance for everyday problems as well as support for psychological illnesses, such as stress.
  - Occupational Health products to protect your employees' health at work and help to meet your duty of care.
  - Wellbeing services that allow employers to combine a wide range of assessments, training, coaching and tools to achieve excellent levels of engagement and sustained behavior change amongst their work force.

- The AXA Health App - helping your employees to find motivating ways to build healthy habits that last. The AXA Health app is available to everyone aged 18 and over in your organisation, insured or not, free of charge<sup>5</sup>, when you have an AXA Health corporate health insurance scheme, corporate health trust or occupational health service with them, or their Employee Assistance Program.<sup>6</sup>
- **Competitive prices** - AXA Health understands that no two businesses are the same. That's why you can choose a healthcare policy to suit your needs and budget.
- **Skilled support** – AXA Health's account management team take a consultative approach to understanding your needs and goals. You'll have dedicated support, with an account manager and co-ordinator assigned to your scheme, supporting retention rates of 98% in 2021.<sup>7</sup>
- **Experience** - Delivering healthcare services to businesses for nearly 80 years. Over three million people are covered, with some of the UK's top organizations among their corporate customers.
- **Reputation** - Reputation for quality service and account management. Accounts range from sole traders to multinationals, with policies to suit every size of business.
- **Flexible implementation** - AXA Health offers implementation systems and procedures to ensure smooth and trouble-free onboarding.
- **Claims management** - Focused approach to the management of care for the more complex cases which have a major impact on the lives of the members and their families and can also impact significantly on the cost of the scheme for the employer.
