

# Ten good reasons to choose an AXA PPP healthcare international plan

International private medical insurance helps companies to manage sickness absence, by providing prompt access to medical care. It's also a highly valued employee benefit.

Today AXA PPP healthcare offers so much more than just international medical insurance. There are many reasons to choose AXA PPP healthcare but for ten of the best, please read on.

AXA PPP healthcare

Be Life Confident

## **1 More than 60 years' experience**

AXA PPP healthcare has more than 60 years' expertise in the provision of medical insurance and is one of the largest medical insurance providers in the UK. AXA PPP healthcare's vision is to provide the best support, best protection and the best choice of healthcare available. We offer a wide range of private medical insurance products to ensure your employees receive the treatment they need when they need it.

## **2 International hospital access**

AXA PPP healthcare has a number of hospitals worldwide with whom we can arrange direct settlement, if you receive in-patient treatment at one of these, we can arrange to settle the bill directly with the hospital. If you go to a hospital not within our current listing we may still be able to settle your bills directly.

## **3 Part of the AXA Group**

AXA PPP healthcare is a part of the AXA Group – a world leader in financial protection and wealth management, operating in nearly 60 countries. Being part of AXA enables us to benefit from their experience and expertise.

## **4 Interpretation service**

AXA PPP healthcare can now speak and be spoken to in over 100 languages. If your employees find themselves in hospital, the last thing they will want to worry about is making themselves understood – or being able to understand the doctor's diagnosis. That's why AXA PPP healthcare offers its international members a telephone interpretation service as part of their healthcare cover. This service carries no additional cost, apart from the price of a phone call.

## **5 Overseas evacuation or repatriation service**

Available 24 hours a day, 365 days a year, which means that in the case of an emergency, if, your employees can't get immediate in-patient treatment locally, we will evacuate them to either the nearest appropriate medical facility, or back to the UK.

## **6 Our team of Personal Advisers**

At AXA PPP healthcare, we value excellent customer service. That is why we provide all of our International Health Plan members with a team of multilingual Personal Advisers, whose role is to help with any aspect of your employees' health cover – from making a claim or adding an additional family member to explaining how the various plans and benefits can help them. It is their job to ensure that you receive the information and assistance that they require.

## **7 Choose from three geographical areas of cover**

Depending on where your employees reside and travel to, there are three geographical areas of cover designed to suit their needs. Whichever area of cover is selected, they can receive medical treatment not only in their country of residence, but also in any other country within the chosen area of cover.

## **8 Overseas partners**

If you are thinking of, or currently live or work in Malta, Cyprus, Bahrain, UAE or Saudi Arabia you can benefit from unique, tailor-made health plans which have been established with our partners in these countries to meet the local healthcare needs.

## **9 Access to helplines**

AXA PPP healthcare members have access to a number of additional helplines which operate 24 hours a day, 365 days a year. These offer access to information on health related issues, emergency evacuation, details of overseas doctors and dentists and access to an interpretation service.

## **10 Optional travel cover for Comprehensive and Standard options**

AXA PPP healthcare's Travel Insurance is available at a competitive rate as it has been designed specifically to complement the out-of-area cover already present on our International Health Plans. This means that medical expenses cover has not been duplicated, keeping the cost of travel insurance to a minimum.
