Why partner with Storebrand Livsforsikring AS

Market leadership

Storebrand Livsforsikring AS is one of the market leaders in Norway, holding a 29% share of the Defined Contribution pension schemes market (as per Q2 2024). This position underscores their expertise and reliability in managing employee benefits.

Commitment to sustainability

Sustainability is at the heart of Storebrand's operations. They integrate economic, social, and environmental considerations into their decision-making processes, ensuring that their business practices contribute positively to society and the planet.

Robust asset management

As one of the largest private asset managers in the Nordic region, Storebrand manages over NOK 1,300 billion across more than 5,000 companies globally. This extensive experience in asset management ensures that your employees' pensions are in capable hands.

Comprehensive employee benefits

Storebrand provides an extensive array of life, health, and pension insurance products, all tailored to enhance employees' well-being. Their offerings include both defined contribution and defined benefit plans, alongside coverage for medical expenses, disability, and life insurance, aiming to ensure that employees receive thorough and reliable protection, fostering a secure and supportive work environment.

Leading life insurer in the Nordics

Storebrand is recognized as a top life insurer in the Nordic region. According to S&P Global Ratings' 2023 report, Storebrand holds a strong position in the Norwegian life insurance market, particularly in occupational pensions. This recognition highlights their robust franchise and trusted reputation.

Partnering with Storebrand Livsforsikring AS means aligning with a leader in the industry, committed to sustainability, and equipped with extensive asset management expertise. This partnership provides confidence that your employees' benefits are managed by a trusted and reliable provider.
