Why partner with Shin Kong Life

Market leader

- For over six decades, Shin Kong Life has been dedicated to supporting the welfare of the people of Taiwan and making insurance coverage available to all.
- Shin Kong Life is one of the market leaders in the provision of life, health, and investment products and a leading provider of life, health and income protection benefits to companies in Taiwan.
- A member of Shin Kong Financial Holding Company, one of the few insurance-lead financial holding companies in Taiwan.

Customer service

- Places great importance on customer service satisfaction. To provide the best service experience, Shin Kong Life extensively collects customer feedback and promptly follows up on any issues.
- Follows the “Fair Treatment of Vulnerable Customers” guidelines from the UK’s Financial Conduct Authority (FCA), and strives to provide the highest level of service.
- Implements control mechanisms to ensure fair treatment of customers and to maintain the company’s goodwill and policyholder rights and interests.

Qualified professionals

- Has a company culture that emphasizes the importance of service quality, duty and compassion, and a commitment to making life better for the people of Taiwan.
- Invests heavily in education and training to improve productivity and relies on precision recruitment, cultivation of key talent, and team culture building.

Innovation

- Shin Kong Life actively invests in insurance technology to optimize customer services and streamline claims processing.
- Uses digital technology such as AI to automate back-office processes, improve efficiency and accelerate customer self-service with over 30 policyholder services available on-line.
- Innovative digital services include:
 - Diverse accessible channels
 - Innovative insurance enrollment experience
 - User-friendly payment inquiry service
 - Convenient claims application processes
 - Timely response to customers

Commitment to ESG

- Incorporates environmental, social, and governance (ESG) issues into its product development processes.
- Promotes digital financial services – conveying that a reduction in paper equals a reduction in carbon.
- Committed to narrowing the gap in education between urban and rural areas and supports diverse learning and development.
- Introduced the Climate-Related Financial Disclosure (TCFD), a framework to identify climate-related risks. With this information, Shin Kong Life develops strategies to reduce carbon in daily operations, implement responsible investment and financing principles, conduct ESG assessments and establish related management processes.
